A black and white, high-contrast photograph of Erykah Badu. She is shown from the chest up, angled slightly to the left, singing into a vintage-style microphone. Her eyes are closed, and her expression is one of deep emotion. The background is dark and textured, possibly a studio backdrop. The lighting is dramatic, highlighting her face and the microphone.

"When I perform, I want the whole place to feel like it's floating, like the beat is carrying us somewhere"

- Erykah Badu.

"Music does a lot of things for a lot of people. It's transporting, for sure. It can take you right back, it's uplifting, it's encouraging, it's strengthening."
