A black and white, close-up photograph of Erykah Badu. She is shown from the chest up, looking slightly to the left of the camera with a focused expression. Her hair is styled in her signature voluminous afro. A vintage-style microphone is positioned in front of her, partially obscuring her face. The lighting is dramatic, with strong highlights on her face and the microphone, and deep shadows elsewhere. The background is dark and textured.

**"When I perform, I want the whole place to feel like it's floating, like the beat is carrying us somewhere"**

**- Erykah Badu.**

"Music does a lot of things for a lot of people. It's transporting, for sure. It can take you right back, it's uplifting, it's encouraging, it's strengthening."
