A black and white, close-up photograph of Erykah Badu. She is shown from the chest up, looking slightly to the left of the camera. Her mouth is open as if she is singing. A vintage-style microphone is positioned in front of her, partially obscuring her face. The lighting is dramatic, with strong highlights on her face and the microphone, and deep shadows elsewhere. The background is dark and textured.

"When I perform, I want the whole place to feel like it's floating, like the beat is carrying us somewhere"

- Erykah Badu.

"Music does a lot of things for a lot of people. It's transporting, for sure. It can take you right back, it's uplifting, it's encouraging, it's strengthening."
