A black and white, high-contrast photograph of Erykah Badu. She is shown from the chest up, angled slightly to the left, singing into a vintage-style microphone. Her eyes are closed, and her expression is one of deep emotion. The lighting is dramatic, with strong highlights on her face and the microphone, and deep shadows elsewhere. The background is dark and textured.

"When I perform, I want the whole place to feel like it's floating, like the beat is carrying us somewhere"

- Erykah Badu.

"Music does a lot of things for a lot of people. It's transporting, for sure. It can take you right back, it's uplifting, it's encouraging, it's strengthening."
